

4 1857-04(?): Letter

From DMC: This text appears to be related to that above. Unfortunately, the original itself seems to have disappeared sometime between the 1987 when I transcribed these letters and February 2015.

NODATE

Map showing sections 6 and 7 and locating GWC's 80 A piece.

Map showing how sections are numbered in a township.

I shall not write to Sarah this time. We are all well as when I wrote before. You need not answer till I write again. For want of room on the other paper I will finish on this.

Yours, Geo. W. Cook
