Film screening in the
presence of director
Michael Teutsch

Wed. 6 April
JRC 101 6:00pm

light buffet will be served

We confront two urgent questions of our time: "what do activists do when the movement stalls, bogs down, or begins to fade away?" "what is revolutionary and transformative?" The path toward the fullest expression of rights and realization of potential for all human beings is fraught with challenges, full of unexpected successes and devastating or exhausting failures. We must remember: "It is not incumbent upon thee to complete the task but thou must not therefore desist from it." (Talmud)
