

CAMPUS CLIMATE SURVEY UPDATE

with the
Council on Diversity and Inclusion

Please join the Council on Diversity and Inclusion for a presentation of key findings from the data gathered during the 2016-17 Campus Climate Survey. This is an excellent opportunity to gain insight about our campus climate and to provide your feedback and suggestions for the Council on Diversity and Inclusion to consider moving forward.

We invite you to attend any one of the three presentations to the campus community.

Wednesday, September 20 at 12 - 1 pm, JRC 101

Thursday, September 21 at 12 - 1 pm, Noyce 1023

Tuesday, September 26 at 6:30 - 7:30 pm, Noyce 1023

If you have any questions or need accommodations, please email
